Believing that our child is entrusted to us by God for care and upbringing, we wish him/her to receive the Sacrament of Christian Baptism. We accept the responsibility for bringing him/her up in the Christian faith; for praying with him/her and for him/her; for helping him/her to know and to appreciate the Bible and great Christian literature; for making him/her at home in the House of God; and for encouraging him/her by our example to take an active part in the worship services and the other activities of the Christian Church.\*
